

WIND REGULATOR FW12/24

Product code: R0094

300W/600W
Maximum power

12V/24V
Voltage

4sun®

TECHNICAL DATA

Model	Wind Regulator FW12/24
Maximum power supported by the controller	300W/600W
Rated battery voltage	12V/24V
Protection against overloading	14.5V/29V
Battery cut-off voltage	13.2V/26.4V
Protection	IP67

Protection against overcharging

Static power consumption	<15mA
Weight	350g
Three diodes	battery / charging / brake
Five cables	2x battery + 3x turbine
