

# WIND REGULATOR FW05-12

Product code: R0128

**500W**  
Maximum power

**12V**  
Voltage

# 4sun®

## TECHNICAL DATA

Model	Wind Regulator FW05-12
Maximum power supported by the controller	500W
Rated battery voltage	12V
Protection against overloading	15V
Battery cut-off voltage	13.5V
Protection	IP67

## Protection against overcharging

Static power consumption	<15mA
Weight	350g
Three diodes	battery / charging / brake
Five cables	2x battery + 3x turbine
