

LIGHTING FIXTURE LED 60W 12/24V

Product code: Ośw000020

60W
Power

≥5500lm
Luminous efficiency

4sun®

LED 60W street lamp, degree of protection IP65. Used for lighting streets, car parks, squares and other places. Mounted on a lighting pole. Ideal for areas where there is a need to save energy.

TECHNICAL DATA

Model	LED 60W 12/24V
Power	60W
Input voltage	DC33V
Luminous efficiency	≥5500lm
Light source	Philips
Speed of light degradation	25000h < 30%
Colour rendering index	Ra>80
Power factor	>0.96
Light angle	120°
Expected working time	50000h
Colour	≥6000 K
Working temperature	-20°C- 60°C
Storage temperature	-40°C -+ 60°C
Input voltage	18V-40V DC
Degree of protection	IP65
Warranty	24 months
Material	iron casting powder coated
Dimension	515×210×80mm
